- (i) a sufficient number of any of the securities of an issuer so as to affect materially the control of the issuer; or
 - (ii) more than 20% of the outstanding voting securities of an issuer except where there is evidence showing that the holding of those securities does not affect materially the control of that issuer;
- (c) **“director”** means:
- (i) a member of the board of directors of a company or an individual who performs similar functions for a company; and
 - (ii) with respect to a person that is not a company, an individual who performs functions similar to those of a director of a company;

These financial assets are generally liquid or relatively easy to liquidate. The value of a purchaser’s personal residence would not be included in a calculation of financial assets;
